Sujet : Application for Content Writer & Strategist Role

Votre message : Hi,

I'm Loise, an experienced Content Strategist from the Philippines, and I'm reaching out to see if you're hiring for a Content Writer or Strategist role.

I specialize in creating high-quality, user-focused articles and, with AI tools, I can produce 5-6 well-researched pieces daily and post to your website pouldreuzic.bzh. I'd be happy to write and provide a free sample article for your business just to showcase my skills.

Let me know if you'd like to set up an interview or discuss further. I can send you my resume too. My expected salary is US\$1,000 /m for a full-time role.

Looking forward to your response!

Best regards,  
Loise
