Sujet : Ugly Photos = More Traffic/Followers?

Votre message : Hello pouldreuzic.bzh,

Here's a secret that might change the way you think about social media: you don't need perfect photos to grow your audience. In fact, some of the most engaging accounts post what you might call "ugly" snapshots.

The truth is, social media success isn't about having professional cameras or editing skills. It's about connecting with your audience in a way that feels authentic and relatable. And sometimes, that means posting content that isn't polished or perfect.
