Votre message : Hi,

I've had to keep this secret for two weeks!

Sider 5.0 is the most powerful Deep Research tool publicly available. In minutes, a powerful multimodal human researcher will curate a in depth comprehensive interactive research report.

Although all "Deep Research" tools exhibit slight variations, the recent released update stands out as exceptionally valuable.

It's scary good!

**\*\* Introducing Sider 5.0: Meet Deep Research Agent and Wisebase! \*\***

Deep Research delivers well-cited, in-depth, interactive reports on any topic within minutes, mimicking a human researcher by intelligently curating top sources, highlighting key insights, and organizing everything in Wisebase—your personal AI knowledge hub to revisit, interact with, and expand your insights over time.
