Votre message : Hi there,

I came across your website and really liked what you're doing. One thing that stood out was the logo it has potential, but I believe a small redesign could make a stronger first impression.

I'd love to offer a free logo redesign, no strings attached. If it doesn't fit your style, no worries at all.

If you're interested, feel free to reach out on Fiverr: <https://bit.ly/portfolio-Tiago>

Thanks for your time,
Tiago
