Votre message : Ever stop to think how much you're spending on marked-up CPMs for Connected TV ads?

If you're using "premium" audience segments without verifying who you're actually reaching, that money is likely feeding someone else's family.

No pressure. Here's the site if you're open to see a revolutionary vision for digital advertising  
topshelfaudience.com using real-time Intent data from an Integration in our platform to Lotame.com. You can reach me at [marketing@mrmarketingres.com](mailto:marketing@mrmarketingres.com) or 843-720-7301. And if this isn't a fit please feel free to email me and I'll be sure not to reach out again. Thanks!
